PRODUCT DATASHEET

TC 160SDAN SOLID DOOR

High-quality, domestically manufactured 160-liter full-door refrigerator. The ventilation cooling can be digitally controlled. The efficient condenser is served by a separate fan, allowing the unit to be placed tightly built-in under the counter. The appliance comes with 2 powder-coated wire shelves, a plastic-coated steel exterior, a stucco sheet interior, and LED interior lighting. This is a premium quality refrigeration unit, designed for long-term use.

The cooling data is based on 60% air humidity and an ambient temperature of 25°C. Under different conditions, the cooling performance may vary!
